

ENVIRONMENTAL POLICY

WISE UP Workshops aims to conduct its activities with consideration of its environmental impact and to use sustainable resources as much as is possible. WISE UP Workshops will approach its endeavours with regard to sustainability and aims to 'reduce, reuse, recycle'

The policy is supported by an environmental action plan, which will specify WISE UP Workshops actions toward being a more sustainable and environmentally aware organisation. The Environmental Action Plan will be reviewed and updated annually by the facilities manager.

WISE UP Workshops will review and update its environmental policy annually in line with it's Environmental Action Plan.

The following are the areas in which WISE UP Workshops can reduce its environmental impact detailed in the environmental action plan:

MONITORING

ENERGY

Heating cooling and ventilation

Equipment

Lighting

Insulation

Boilers

Support renewable energy

WASTE

REDUCE REUSE RECYCLE

Reduction

Recycling
