## WELCOME

- **What we do?**

WISE UP Workshops CIC is a community well-being organisation that helps to build confidence in all ages and all abilities using creative arts. We pride ourselves on creating a fun, positive and hard-working environment putting on productions locally with local people. Our WISE UP Wishes are there to create RESPECT and to make sure everybody feels safe- please read a copy on our website to familiarise yourself with our approach and the rules.

WISE UP's approach is all-inclusive where everybody is welcome; each and every one of us has a different learning style and some things are easy for some people and for others they might be a challenge which is why we ask for patience and understanding. One of our WISE UP Wishes is that 'we work as a team'.

- **What is a CIC?**

It is a Community Interest Company; designed for social enterprises that want to use their profits and assets for the public good- they are working for the benefit of the community. We are non-profit making and any money made is used for running costs such as the venue hire, resources and training.

**DID YOU KNOW PEOPLE CAN SPONSOR US? DO YOU KNOW A BUSINESS WHO WOULD LIKE TO DONATE SOME CASH? HAVE YOU GOT A FAMILY MEMBER WHO WANTS TO DONATE TO A LOCAL CAUSE? WOULD YOU LIKE TO JOIN THE FUNDRAISING TEAM? CUT OUT THE MIDDLE MAN AND PUT YOUR MONEY STRAIGHT BACK INTO THE COMMUNITY. TALK TO ELLE FOR MORE INFO.**

- **Safeguarding**

All of the team members are trained in safeguarding, first aid, we are all DBS checked, and have relevant qualifications with over 20 years of experience working with people. WISE UP is fully insured and we have licenses and policies in place (please go to our website if you would like to see them in detail.)

If you are an attendee who requires support or a carer please arrange someone to support you during the workshops.

\* Please note we no longer communicate on facebook messenger, if you require information please call the WISE UP number, there will be no answer on facebook. \*
